Many of our own moulding products/profiles can be produced in knotty pine to complete the interior of your log home (including S4S, T&G paneling, and flooring). Refer to our Moulding/Flooring sections for all available profiles then contact your sales representative for pricing.

\*When ordering outside corner logs, you will need equal quantities of 27" and 47" split between lefts and rights.

These items are non-stock products produced per order. Please allow a minimum two week lead time.
