About Heister House produced flooring:

Flooring is sold per square foot in full bundles.

Add the designated suffix after the item number to indicate the species of flooring you are ordering.

Many other species and custom widths are available. Call your Heister House Sales representative for availability and pricing.

Lumber availability may extend indicated lead times.

Flooring, as with any wood product, will acclimate to the environment it is installed and/or stored in. You should always acclimate unfinished flooring prior to installation.

Heister House makes no warranty on widths over 5 ¼".

Because of significant price fluctuations, contact your Heister House sales representative for current pricing.

All prices are subject to change without notice.
